hardware+tools

7 – 9 June, 2021

Dubai World Trade Centre, UAE

The 21st edition of the International Trade Fair for Tools, Hardware, Materials and Machinery

Be at the forefront of cutting-edge possibilities

Galvanise your business presence in key emerging markets at the region's only dedicated show for the construction, fabrication and technical industries.

Now in its 21st year, Hardware+Tools Middle East is the ultimate platform to meet buyers from a wide range of industries who are eager to source innovative solutions for projects of varying scale and complexity.

Get ready to display your latest product ranges, explore promising new trends and make valuable connections to grow your business in the region at the show's upcoming 2021 edition.

Reasons to exhibit

- The only exhibition of its kind in the region for the hardware, tools, materials and machinery industry
- Your opportunity to reach beyond the UAE, as the show attracts targeted buyers from the GCC, Middle East, Indian Subcontinent and Africa (61 countries in the 2019 edition)
- Dubai, the hub for the MENA region, is the ideal location to educate the market about your products, as it gives you easy access to major players in the regional construction and infrastructure industries
- A way to monitor competitors and collect market information
- A great platform for brand exposure and recognition
